January 12, 2017

Dear Parents and Guardians of JTED students:

A vague threat was discovered in a restroom at our JTED @ Master Pieces Campus at approximately 1:30 p.m. today.

As a precaution, the campus went into a soft-lockdown while the Pima County Sheriff's Department conducted their initial investigation. A deputy who responded to the scene reported that he was able to lift fingerprints off the stall. We will provide you with any updated information as it becomes available.

The lockdown was lifted at approximately 3:30 p.m. and all classes and activities have resumed normal operations. The Sheriff's office will have an increased presence at the JTED @ Master Pieces campus.

On behalf of the JTED staff I'd like to remind you and all of our students that student safety is always our top priority. We take any type of threat seriously and turn such incidents over to local law enforcement. Anyone caught making such threats is subject to prosecution, and immediate disciplinary action if they are a student, or employee.

Parents and Guardians, please make sure our Registrar has your contact information on file. We will notify you by phone, and or text if we need to contact you about an urgent matter.

Thank you for your cooperation.

Regards,

A handwritten signature in blue ink that reads 'Alan L. Storm'.
